

## ENVIRONMENTAL COMPLIANCE CERTIFICATE

(Issued under Presidential Decree 1586)

ECC-R4B-1210-0158

THIS IS TO CERTIFY THAT THE PROPONENT, **HEVA MANAGEMENT AND DEVELOPMENT CORPORATION** is granted this Environmental Compliance Certificate (ECC) for the **Gaisano Capital-Calapan Proj** located at **Barangay Tawiran, Calapan City, Oriental Mindoro** by the Department of Environment and Natural Resources (DENR), through the Environmental Management Bureau (EMB), MIMAROPA Region.

This Certification is being issued for the Project, with the following details:

### PROJECT DESCRIPTION

The **5-Level Gaisano Capital-Calapan Project** shall cover a total area of **Twenty Three Thousand Three Hundred Ninety Five (23,395) square meters** of land embraced by TCT Nos. **T-064-2012002827** and **T-064-2012002828** located at **Barangay Tawiran, Calapan City, Oriental Mindoro**. The project shall operate and maintained its facilities and amenities as contained in the submitted IEE Checklist Report.

This certification is issued in compliance to the requirements of Presidential Decree No. 1586, in accordance to Department Administrative Order No. 2003-30. The Bureau, however, is not precluded from reevaluating, adding, removing, and correcting any deficiencies or errors that may be found after issuance of this Certificate.

This is to certify, further, that in issuing this **CERTIFICATE**, it should be understood that the same is a **PLANNING TOOL** and **NOT A PERMIT**. It is expected that the proponent will diligently secure pertinent **PERMITS/CLEARANCES** from all concerned government agencies prior to the start/implementation of the project. Furthermore, the DENR/EMB will be monitoring the project periodically to ensure compliance with the stipulations cited in the attached conditions and restrictions which are made as integral part of this ECC.

Issued at EMB MIMAROPA Region this OCT 22 2012

## I. CONDITIONS

### ENVIRONMENTAL MANAGEMENT

The proponent shall strictly implement the following mitigating, enhancement, and rehabilitating measures:

1. That green buffer zones and tree planting shall be established within and along the periphery of the project site to help attenuate noise levels, abate heat and absorb some pollutant emissions. The proponent shall enter into a Memorandum of Agreement with the concerned DENR-Provincial Environment and Natural Resources Office in the implementation of the tree planting activity. The tree planting is one of the recommended activities in compliance with the government's commitment to the Kyoto Protocol Agreement;
2. That the proponent shall strictly manage all external, traffic problems, excessive surface runoff, dust, soil erosion, accidental spillage and health hazards identified in the Initial Environmental Examination (IEE) Checklist Report and, in case of emergency episodes, appropriate response activities shall be immediately undertaken for the protection of the workers/ personnel, host and nearby communities and the receiving environment;
3. That the proponent shall construct and maintain proper, effective and adequate drainage system and wastewater treatment facility and that the discharges of domestic wastewater and effluents shall conform with the DENR Effluent Standards in all phases of the project;
4. That monitoring wells shall be installed and maintained within the project site and identified impact areas, which shall include the following:
  - A semi-annual groundwater quality sampling shall be conducted and the results of the same shall be submitted to this Office.
  - Cisterns shall be installed to minimize the extraction of groundwater for domestic purposes.
5. That the proponent shall properly implement the following:
  - Effective Information, Education and Communication (IEC) Plan shall be implemented in all project phases including communication of environmental risks of the project.
  - Beneficial Social Development Program (SDP) for the host barangays and affected communities which shall cover livelihood, health, education, among others.
  - Appropriate wastes management scheme as provided in the Environmental Management Plan (EMP) shall be continuously implemented.
6. That in support of the concern of the government to phase-out mercury from all possible sources and to address global warming, the proponent shall install environment-friendly lighting fixtures (i.e. light-emitting diode lamps, compact fluorescent lamps, etc.).

Ym gn

7. The proponent shall set up the following:

- a. A **Memorandum of Agreement (MOA)** shall be entered into by the proponent with the **ECC Holders Association** to become part of their **MMT** and in setting up the corresponding **Environmental Monitoring Fund (EMF)** prior to project implementation;
- b. A replenishable Environmental Monitoring Fund (EMF) to cover all costs attendant to the operation of the MMT such as conduct meetings, training, sampling and analysis, hiring of technical experts, meals, accommodations, supplies and materials, communication, and transportation.
- c. The amount and mechanics of the EMF, and the establishment of the MMT shall be determined by the EMB-MIMAROPA Region and the proponent in consultation with stakeholder-communities and other concerned agencies. This MOA shall be submitted to EMB-MIMAROPA within sixty (60) days upon receipt of this Certificate.

### GENERAL CONDITIONS

Further administrative conditions for the grant of this Certificate shall be strictly complied:

8. That the proponent shall religiously comply with the applicable provisions of P.D. 1586 (Philippine Environmental Impact Statement System), R.A. 9275 (Philippine Clean Water Act of 2004), R.A. 9003 (Ecological and Solid Waste Management Act of 2000), R.A. 6969 (Toxic Substances and Hazardous and Nuclear Waste Control Act of 1990) and R.A. 8749 (Philippine Clean Air Act of 1999) and the Sanitation Code of the Philippines (P.D. 856);
9. That the proponent shall set-up a competent Environmental Unit and shall be duly accredited by this Office in accordance with DAO No. 26, series of 1992 (Appointment/Designation of Pollution Control Officers);

The Environmental Unit shall be integrated in the proponent's organizational chart to handle all environment related aspects of the project implementation in addition to the monitoring requirements as specified in the Environmental Management Plan (EMP)/Environmental Monitoring Plan (EMoP) and other environmental commitments such as but not limited to the following;

- 9.1 Monitor actual project impacts vis-à-vis the predicted impacts and management measures in the IEE Checklist Report.
- 9.2 Ensure that all post-assessment permits/clearances from other concerned government agencies are secured and in place.
- 9.3 Regular submission of a semi-annual ECC Compliance Monitoring Report (on or before January 15 and July 15 of each year the project is operational) provided with supporting documents and in accordance with the prescribed format stipulated in the Implementing Rules and Regulations of P.D. 1586.
- 9.4 Submit a quarterly monitoring report using the prescribed format of the Self-Monitoring Report (SMR) pursuant to DAO 2003-27.
- 9.5 Submit an Abandonment Plan two (2) months prior to the abandonment activities. It shall include rehabilitation measures/clean-up, costs, remediation of areas possibly contaminated with toxic/hazardous substances and presentation of options on proposed alternative projects in the area.

10. That the proponent shall allocate ample budget for the implementation of the proposed mitigating/enhancement measures during the operation and abandonment phases of the project;
11. That health and sanitation practices shall be observed in all phases of the project and safety & personal protection equipment/devices shall always be provided to all employees/workers within the premises of the project site to prevent health and occupational hazards;
12. That the proponent shall establish a carbon sink program or apply/use alternative fuel (i.e. bio-fuel liquefied petroleum gas, etc.) to deal with the reduction program on activities potential to contribute greenhouse gases or global warming.
13. That a billboard containing this message: "**Notice to the Public, This GAISANO CAPITAL-CALAPAN PROJECT of HEVA MANAGEMENT AND DEVELOPMENT CORPORATION has been issued an Environmental Compliance Certificate (ECC-R4B-1210-0158) by the Department of Environment and Natural Resources – Environmental Management Bureau MIMAROPA Region on OCT 22 2012.**" shall be installed at all entry and exit points and in the perimeter of the project site facing the road to inform the general public within thirty (30) days from receipt of the ECC;
14. That a copy of the ECC shall be posted in a conspicuous location at the field office of the project site clearly visible to the public and shall be adequately framed or otherwise protected against damage and at the barangay bulletin board of the host barangay(s) within thirty (30) days from receipt of the ECC.
15. That any authorized DENR-EMB personnel, with proper identification card and travel/mission order, shall be allowed access to conduct an on-the-spot inspection and monitoring to oversee compliance to the ECC conditions without the need for prior notice to the proponent.

## II. RESTRICTIONS

1. That no other activities shall be undertaken other than what was stipulated in the IEE Checklist Report. Should there be an expansion of the project beyond the project description, construction of other structures beyond those stated in the IEE Checklist Report or any change in the activity or location, shall be made subject to a new Environmental Impact Assessment (EIA) requirements;
2. That all appropriate construction, operational and resource-use permits/clearances from other national and local government agencies concerned (i.e. PMRB, PNP, LGUs, DPWH, DOH, NWRB, HLURB, DOLE, DTI, etc.) shall be secured pertaining to the implementation of the project. Likewise, the proponent shall notify this Office of the reckoning date of project operation;
3. That an **Engineering Geological and Geo-hazard Assessment (EGGA)** shall be conducted within the project site and the report shall be submitted to Mines and Geo-Sciences Bureau, Region IV-B copy furnished this Office within sixty (60) days upon receipt hereof,

yn 8

4. That the proponent shall plant an equivalent area of the project with appropriate tree species and shall coordinate with PENRO/CENRO concerned for area identification;
5. That in case of transfer of ownership/management of this project, these same conditions and restrictions shall apply and the transferee shall be required to notify this Office concerned within fifteen (15) days as regards to the transfer of ownership/management; and
6. That the proponent, **HEVA MANAGEMENT AND DEVELOPMENT CORPORATION** (represented by **Mr. Carlos P. Legara**) shall be accountable for any misrepresentation and failure to state material information in the submitted documents.

The conditions stipulated in this Certificate shall be deemed final within fifteen (15) days from receipt hereof and all conditions and restrictions set forth above shall be complied with by the herein grantee. This ECC is deemed expired if not implemented within five (5) years from the date of issuance and the proponent shall have to apply for a new ECC if it intends to pursue the project.

*Non-compliance with any of the provisions of this certificate shall be a sufficient cause for the cancellation or suspension of this certificate and/or imposition of a fine in an amount not to exceed Fifty Thousand Pesos (PhP50,000.00) for every violation thereof.*

## PROJECT ASSESSMENT PLANNING TOOL

For the assistance of the Proponent, LGUs and other concerned government agencies (GAs) in the management of the project and for better coordination in mitigation on the impacts of the project on its surrounding areas and to the environment.

By way of recommendation, the following have been taken notice of by this Office and are providing these recommendations to the parties and authorities concerned for proper action and integration into their decision making-process.

Regulatory Conditions	
<p>1. The proponent shall comply with, but not limited to the following:</p> <p>1.1 P.D. 856 or the Sanitation Code of the Philippines;</p> <p>1.2 P.D. 442 or the Labor Code of the Philippines including occupational health and safety;</p> <p>1.3 R.A. 6541 or the National Building Code of the Philippines including adequate storm drainage system and other flood control measures and compliance to the Fire Safety and Emergency Preparedness;</p> <p>1.4 P.D. 705 &amp; DAO 97-05;</p>	<p>DOH DOLE-Bureau of Working Condition Municipal Planning &amp; Dev't Office/Building Official/BFP/LGU Concerned</p> <p>DENR Sector concerned</p>
Environmental Planning Recommendations for the Proponent	
<p>2. Close monitoring of the project should be undertaken by the proponent to maintain a high level of safety and efficiency at all phases of the project and to immediately address any environmental hazard that may take place.</p>	<p>Proponent</p>
