4. That the transfer of ownership of this project carries the same conditions in the ECC of which a written notification shall be made to EMB -MIMAROPA within fifteen (15) days from such transfer;
5. That any false information, misrepresentation or omission of material facts in the submitted documents shall be sufficient ground for the cancellation of this ECC;
6. That the proponent shall organize a Multi-Partite Monitoring Team in the conduct of the monitoring composed of DENR-PENRO/CENRO, NGO and LGU's under the spirit of bayanihan/voluntarism scheme;
7. That a **Self - Monitoring Report** shall be submitted to this Office quarterly;
8. That the submitted **Environmental Management Plan (EMP)** shall be strictly implemented;
9. That any authorized DENR-EMB Region IV-B personnel can initiate an on-the-spot inspection and monitoring even without prior notice;
10. That should the implementation of the project cause adverse environmental impacts and pose nuisance to the public health and safety, as determined by the DENR-EMB and other concerned agencies, the operation shall be temporarily suspended after prior notice and due process until such time appropriate remedial measures are effected and any damage resulting from the same are properly compensated;
11. That in case there is a need for additional conditions in this ECC after monitoring/inspection, the same shall be imposed by DENR-EMB, Region IV-B;

A.2 Special Conditions:

12. That an effective Information Education and Communication (IEC) program shall be implemented including communication of environmental risks of proposed project operations and occupational safety and health of its workers;
13. That this Certificate should be posted in a conspicuous location clearly visible to the public and shall be adequately framed or otherwise protected against damage;

Non-compliance with the above conditions shall be sufficient cause for the suspension or cancellation of this Certificate and/or imposition of a fine in an amount not to exceed Fifty Thousand Pesos (PHP 50,000.00) for every violation thereof, at the discretion of the FMR in accordance with Section 9 of P D 1586

B. Suggestion to the Project Design, Contractor and Constructions

B.1. General Conditions:

14. That compliance to occupational health and safety of the workers shall be ensured by the proponent by provision and use of Personal Protective Equipment (PPE) such as protective masks and other devices during construction/operation;
15. That the project proponent shall conform with the provisions of the Building Code and Sanitation Code and its implementing rules and regulations;
