

ECC No. 4B- 031 -PA-120-2001

## ENVIRONMENTAL COMPLIANCE CERTIFICATE

The Department of Environment and Natural Resources, Region IV hereby issues this guideline to the Gasoline Filling Station Project of NTI-Quezon COSS, Pilipinas Shell Petroleum Corporation (Ms. Teresita G. Tanyo) located at National Highway, Brgy. Alfonso XIII, Quezon, Palawan after complying with the Environmental Impact Assessment (EIA) requirements as prescribed in the promulgated guidelines implementing Section 3 (b) of P.D. 1121 and DENR Administrative order No. 96-37.

*This certificate is not a permit and is being issued subject to the following conditions:*

### I. PRE-CONSTRUCTION PHASE

1. That all necessary permits/clearances from other government agencies shall be secured prior to project implementation and submit to this Office within fifteen days upon receipt hereof otherwise this ECC shall be considered null and void, *ab initio*;
2. That the project shall conform with the zoning ordinance of Quezon, Palawan;

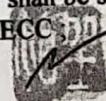

### II. CONSTRUCTION PHASE

3. Planting of ornamental plants and landscaping shall be effected in areas deemed appropriate for such purposes;
4. The structural design of component structures of the project shall conform with the design guidelines of Building Code of the Philippines and to be monitored by the Building Official concerned;
5. The service station shall be provided with public toilets;

### III. OPERATION PHASE

6. This certificate shall cover only the construction and operation of a Gasoline Filling Station located in Brgy. Alfonso XIII, Quezon, Palawan covering a total area of One Hundred Five (105) Square Meters under TCT No. E- 6507;
7. A Fire Contingency Plan (FCP) duly approved by Bureau of Fire Protection shall be implemented to be monitored by the Bureau of Fire Protection Units concerned;
8. An "Authority to Construct" for the Oil-Water separator shall be secured from this office within thirty (30) days from the validity of this ECC.

ECC-4B- PA-120-2001  
(NTI-Quezon COSS, Pilipinas Shell Petroleum Corp.)

9. That a regular monitoring of tank leakages shall be strictly observed and the quarterly reports be submitted to the Regional Director, EMB, Region IV (Island Provinces);
10. A solid waste generation and disposal plan shall be prepared by the proponent and the same shall be submitted to Local Government Unit (LGU) concerned for approval and as basis for the LGU to monitor its compliance;

#### IV. OTHERS

11. That should implementation of the project cause adverse environmental impacts and pose nuisance to the public health and safety, as determined by the DENR, the operation shall be temporarily suspended after prior notice and due process until such time appropriate remedial measures are effected and any damage resulting from the same as properly compensated;
12. That an Environmental Monitoring Fund (EMF) shall be established by the proponent, the amount of which will be agreed upon by the DENR-EMB Region IV-Island Provinces and the proponent in the preparation of Memorandum of Agreement within thirty (30) days from the receipt thereof;
13. That a Pollution Control Officer (PCO) for the said project shall be appointed and the resume/biodata of the same shall be submitted to this office for accreditation;
14. That any authorized DENR-EMB Region IV-B personnel shall not be impeded/prevented from conducting on the spot monitoring and inspection of the establishment; and
15. That any expansion/extension of the project operation(s) shall be subjected to separate EIA requirements;
16. That the transfer of ownership of this project carries the same conditions in this ECC for which a written notification shall be made by herein grantee to DENR-EMB, Region IV-B within fifteen (15) days from such transfer;
17. That any misrepresentation or material falsehood on the submitted documents shall be sufficient cause for the cancellation of this ECC;
18. That all mitigating measures cited in the submitted documents shall be implemented;
19. That adequate traffic warning signs shall be located in strategic location of the project site; and
20. That the proponent/preparer shall be accountable for any misrepresentations and failure to state material information in the submitted document.

Non-compliance with all the above stipulations will be sufficient cause for the cancellation or suspension of this certificate and/or penalty of fine in an amount not to exceed Fifty Thousand Pesos (P50,000.00) for every violation thereof, at the discretion of the DENR pursuant to DENR Administrative Order No. 37 of 1996.

In case there is a need for additional conditions in this ECC after monitoring/inspection, the same shall be imposed by DENR-EMB, Region IV.

Given this MAR. 21 2001.
