

ENVIRONMENTAL COMPLIANCE CERTIFICATE

ECC-4B-136-OCCMIN-3692-2006

The Department of Environment and Natural Resources (DENR), through the Environmental Management Bureau (EMB) Region IV-B (MIMAROPA), hereby grants this Environmental Compliance Certificate (ECC) to the proposed **PROPOSED MANZANO HOLLOW BLOCKS PROJECT** of **Mr. Angelito Manzano** to be located at **Brgy. Ligaya, Sablayan, Occidental Mindoro**, after complying with the Environmental Impact Assessment (EIA) requirement as prescribed under the promulgated guidelines implementing Section 3 (b) of P.D. 1121 and 1586.

I. SCOPE AND COVERAGE

This Certificate shall cover an area of 500 sq.m. located within a private land with TCT No. 17421 and the operation shall not exceed a daily production of One Hundred (100) pieces of CHB per day;

II. CONDITIONS

A. Proponent's Environmental Compliance:

Proponents compliance with environmental laws specially on the Philippine EIS System and consisting of two sub sections: the general conditions requiring the proponent to comply with EIA rules and regulations and other environmental laws while the other sub-section is the special conditions which pertains to compliance with mitigating measures to address impacts directly under the control of the project proponents and as a result of findings during the EIA review and evaluation.

Non compliance with these conditions is a ground for the issuance of Notice of Violation.

A.1 General Conditions:

1. The proponent shall comply with the following:

- PD 1586 *Philippine Environmental Impact Statement System*
- RA 8749 *Clean Air Act of 1999*
- RA 9003 *Ecological and Solid Waste Management Act of 2000*
- RA 9275 *Clean Water Act of 2004*

A.2 Special Conditions:

2. Green buffer zones shall be established along the periphery of the plant and between facilities to help attenuate noise levels and absorb some pollutant emissions;

Non-compliance with the above conditions shall be sufficient cause for the suspension or cancellation of this Certificate and/or imposition of a fine in an amount not to exceed Fifty Thousand Pesos (PHP 50,000.00) for every violation thereof, at the discretion of the EMB in accordance with Section 9 of P.D. 1586.

B. Suggestion to the Project Design, Contractor and Constructions

B.1. General Conditions:

3. That compliance to occupational health and safety of the workers shall be ensured by the proponent by provision and use of Personal Protective Equipment (PPE) such as protective mask and other devices;.

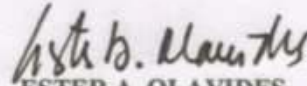

you h/tb. Manzano

B.2 Special Conditions:

4. That adequate and proper storage facilities for raw materials shall be provided;
5. That sand and gravel materials to be used in the project shall come from the legitimate sources;
6. That a Self Monitoring Report shall be submitted to this office quarterly;
7. That any authorized DENR-EMB Region IV-B personnel can initiate an on-the-spot inspection and monitoring even without prior notice;
8. That this Certificate should be posted in a conspicuous location clearly visible to the public and shall be adequately framed or otherwise protected against damage; and
9. That in case there is a need for additional conditions in this ECC after monitoring/inspection, the same shall be added by DENR-EMB Region IV-B.

ECC fee duly paid as evidenced by O.R. No. 1516241 dated June 26, 2006.

Granted this **OCT 23 2006**
