Environmental Management Bureau
Regional Office No. IV – B MIMAROPA

ENVIRONMENTAL COMPLIANCE CERTIFICATE
ECC-4B-171-OCCMIN-5011-2006

The Department of Environment and Natural Resources (DENR)–Environmental Management Bureau (EMB), MIMAROPA Region hereby grants this **Environmental Compliance Certificate (ECC)** to the **Relocation Housing Project of the Dorcas Community Foundation Inc., and LGU of San Jose, Occidental Mindoro** to be located at **Brgy. Bubog, San Jose, Occidental Mindoro** after complying with the Environmental Impact Assessment (EIA) requirement as prescribed in the promulgated guidelines implementing Section 3 (b) of P.D. 1121 and P.D. 1586.

I. SCOPE AND COVERAGE

That this Certificate shall cover the construction, operation and maintenance of **RELOCATION HOUSING PROJECT** with an area of Ten Thousand One Hundred Thirty-two (10,132) sq.m., located in Brgy. Bubog, San Jose, Occidental Mindoro:

II. CONDITIONS

A. Proponent's Environmental Compliance:

Proponents compliance with environmental laws specially on the Philippine EIS System and consisting of two sub sections: the general conditions requiring the proponent to comply with EIA rules and regulations and other environmental laws while the other sub-section is the special conditions which pertains to compliance with mitigating measures to address impacts directly under the control of the project proponents and as a result of findings during the EIA review and evaluation.

Non compliance with these conditions is a ground for the issuance of Notice of Violation.

A.1 General Conditions:

1. That the proponent shall comply with the following:
 - PD 1586 *Philippine Environmental Impact Statement System*
 - RA 6969 *Toxic and Hazardous Waste Act of 1990*
 - RA 8749 *Clean Air Act of 1999*
 - RA 9003 *Ecological and Solid Waste Management Act of 2000*
 - RA 9275 *Clean Water Act of 2004*
2. That permits/clearances from other concerned agencies shall be secured **prior** to project implementation to be submitted to this Office;
3. That any expansion from the existing approved operation and project area shall be subjected to a separate EIA requirements;

Dorcas Community Foundation Inc.
R04B-ECC-162-06

4. That the proponent shall set up the following:
- 4.1. That a **Memorandum of Agreement (MOA)** shall be entered into by the proponent with the **ECC Holders Association** to become part of their MMT and in setting up the corresponding **Environmental Monitoring Fund (EMF)** prior to project implementation;
 - 4.2. A replenishable Environmental Monitoring Fund (EMF) to cover all costs attendant to the operation of the MMT such as conduct meetings, training, sampling and analysis, hiring of technical experts, meals, accommodations, supplies and materials, communication, and transportation.

The amount and mechanics of the EMF, and the establishment of the MMT shall be determined by the EMB-MIMAROPA Region and the proponent in consultation with stakeholder-communities and other concerned agencies. This MOA shall be submitted to EMB within sixty (60) days upon receipt of this Certificate.
5. That a **Self - Monitoring Report** shall be submitted to this Office quarterly;
6. That the submitted **Environmental Management Plan (EMP)** shall be strictly implemented;
7. That any authorized DENR-EMB Region IV-B personnel can initiate an on-the-spot inspection and monitoring even without prior notice;
8. That should the implementation of the project cause adverse environmental impacts and pose nuisance to the public health and safety, as determined by the DENR-EMB and other concerned agencies, the operation shall be temporarily suspended after prior notice and due process until such time appropriate remedial measures are effected and any damage resulting from the same are properly compensated;
9. That any false information, misrepresentation or omission of material facts in the submitted documents shall be sufficient ground for the cancellation or suspension of this ECC;
10. That the transfer of ownership of this project carries the same conditions in the ECC of which a written notification shall be made to EMB -MIMAROPA within fifteen (15) days from such transfer;
11. That in case there is a need for additional conditions in this ECC after monitoring/inspection, the same shall be imposed by DENR-EMB, Region IV-B;

A.2 Special Conditions:

12. That a Green buffer zone shall be established along the periphery of the project area to help attenuate noise levels and absorb some pollutant emissions;
13. That an effective Information Education and Communication (IEC) program shall be implemented including communication of environmental risks of proposed project operations and occupational safety and health of its workers;
