Telefax Nos. 536-9786/400-5960

**ENVIRONMENTAL COMPLIANCE CERTIFICATE**

**ECC-4B-022-RO-4110-2006**

The Department of Environment and Natural Resources (DENR)- Environmental Management Bureau (EMB), MIMAROPA Region hereby grants this **Environmental Compliance Certificate (ECC)** to the **Banton Diesel Power Plant and Expansion Project** of the National Power Corporation located at **Banton, Romblon** after complying with the Environmental Impact Assessment (EIA) requirement as prescribed in the promulgated guidelines implementing Section 3 (b) of P.D. 1121, Section 4 of P.D. 1151, Section 2 of P.D. 1586, Presidential Administrative Order No. 42 dated 02 November 2002 and DENR Administrative Order No. 30 Series of 2003.

This Certificate is being issued subject to conditions stated hereunder. Non-compliance with any of the conditions will be sufficient grounds for the cancellation or suspension of this certificate and/or a fine in an amount not to exceed **Fifty Thousand Pesos (Php 50,000.00)** for every violation thereof, at the discretion of the DENR pursuant to Section 9 of PD 1586 and Section 16, Article IV of DENR Administrative Order No. 2003-30.

**I. GENERAL PROVISION**

1. That all other permits from other government agencies shall be secured prior to project implementation;
2. That any expansion from the existing approved operation and project area shall be subjected to a separate EIA requirements;
3. That the transfer of ownership of this project carries the same conditions in the ECC of which a written notification shall be made to EMB -MIMAROPA within fifteen (15) days from such transfer;
4. That any false information, misrepresentation or omission of material facts in the submitted documents shall be sufficient ground for the cancellation of this ECC;
5. That the proponent shall secure insurance coverage that shall encompass payment of damages to health and property, environmental rehabilitation, remediation and/or clean-up costs and expenses for any kind of environmental impairment caused by the project, copy furnish this office the policy and its annual renewal thereafter;

**II. OPERATION PHASE**

6. That this Certificate is valid only for the installation and operation of additional 2 x 250 kW generating sets (from existing 300 kW) located at Banton Island, Palawan;
7. This Certificate supersedes ECC-004-PA-205-94 dated January 03, 1994;
8. That construction and operation activities shall not cause emission of dust/suspended particulates and noise that would exceed the standards set by DENR;
9. That effluent shall conform with the standards set by the DENR;
10. That in the event that the quality of effluents and emissions exceed the DENR Standards, operation shall be temporarily suspended until such time that these are properly addressed. *hste to. blawth*

11. That proper handling, storage and disposal of toxic and hazardous, solid and water wastes shall be implemented;
12. The Permits to "Operate Air Pollution Source Installations" and "Wastewater Treatment Facilities – Oil Water Separator" shall be secured from this Office;
13. That monthly air and water quality monitoring shall be conducted, results of which shall be submitted to this Office quarterly;
14. That a Self Monitoring Report shall be submitted to this Office quarterly;
15. That the **Environmental Management Plan (EMP)** shall be strictly implemented;
16. That any authorized DENR-EMB Region IV-B personnel can initiate an on-the-spot inspection and monitoring even without prior notice; and
17. That this Certificate should be posted in a conspicuous location clearly visible to the public and shall be adequately framed or otherwise protected against damage.
