- PD 705 *Forestry Code of the Philippines*

2. That the proponent shall set up the following:

- 2.1. A Multi-partite Monitoring Team (MMT) composed of representative(s) from the proponent, DENR Region IV-B, EMB Region IV-B, a local environmental Non-Government Organization (NGO), and the LGUs shall be organized. The MMT should primarily oversee the compliance of the proponent with the Environmental Management and Monitoring Plan (EMMP) and the ECC conditions;
- 2.2. A replenishable Environmental Monitoring Fund (EMF) to cover all costs attendant to the operation of the MMT such as conduct meetings, training, sampling and analysis, hiring of technical experts, meals, accommodations, supplies and materials, communication, and transportation.

The amount and mechanics of the EMF, and the establishment of the MMT shall be determined by the EMB-MIMAROPA Region and the proponent in consultation with stakeholder-communities and other concerned agencies. This MOA shall be submitted to EMB-MIMAROPA within sixty (60) days upon receipt of this Certificate.

3. That a Pollution Control Officer (PCO) shall be appointed by the proponent who shall continue to competently handle the environment-related aspects of the project. In addition to the monitoring requirements as specified in the Environmental Monitoring Plan, the PCO shall also:
 - 3.1 Monitor actual project impact vis-à-vis the predicted impacts and management measures in the IEE;
 - 3.2 Accordingly recommend revisions to the Environmental Management Plan (EMP) as necessary;
 - 3.3 Ensure that the appropriate post-assessment permits are in place;
 - 3.4 Ensure that monitoring and reporting are carried out as required; and
 - 3.5 Assure compliance with the conditions of the approved ECC.

4. The proponent shall make available a budget of Six Hundred Fifty Thousand Pesos (Php 650,000.00) based on the project schedule as indicated in the submitted Environmental Management Plan (EMP) Summary for the implementation of the project and proposed mitigating measures in the construction and operational phase. An accomplishment report on the implemented mitigating measures and the corresponding cost of the EMP activities shall be submitted to this Office on a quarterly basis for monitoring;
5. That permits/clearances from other concerned agencies shall be secured prior to project implementation to be submitted to this Office;
6. That a **Self - Monitoring Report** shall be submitted to this Office quarterly;
7. That the submitted **Environmental Management Plan (EMP)** shall be strictly implemented;
8. That the project should safeguard the spillage of any waste that can be carried to the adjacent area where marine life forms show high diversity;
9. That semi-annual monitoring of marine life forms in the established sampling sites shall be undertaken to assess the changes in the marine environment;
10. That no coral reefs will be affected during the time of construction and operation;
11. That any authorized DENR-EMB Region IV-B personnel can initiate an on-the-spot inspection and monitoring even without prior notice;
12. That should the implementation of the project cause adverse environmental impacts and pose nuisance to the public health and safety, as determined by the DENR-EMB and other concerned agencies, the operation shall be temporarily suspended after prior notice and due process until such time appropriate remedial measures are effected and any damage resulting from the same are properly compensated;
13. That any false information, misrepresentation or omission of material facts in the submitted documents shall be sufficient ground for the cancellation or suspension of this ECC;
14. In case of abandonment, the Proponent shall notify the EMB Regional Office concerned within three (3) months prior to the abandonment and the Proponent shall submit its abandonment mitigation plan;
15. That a 2' x 4' billboard containing this message : " **Notice to the Public, This project (title of the project) of (Name of the proponent) has been issued an Environmental Compliance Certificate (ECC Number) by the Environmental Management Bureau of the Department of Environment and Natural Resources, Region VII, on (date).**" This message must be installed at all entry and exit points and at all perimeters of the project facing the road to inform the general public within thirty (30) days from receipt of the certificate. A copy of the certificate shall also be posted by the Proponent at the barangay bulletin board of the affected barangays within thirty (30) days from receipt of the certificate. An accomplishment report which shall include picture verification of compliance to the posting of notices and the billboards shall be submitted to this Office within ninety (90) days from receipt of the ECC.

II. RESTRICTIONS

The proponent is strictly subject to the following restrictions:

1. That no other activities should be undertaken other than what was stipulated in the Initial Environmental Examination Report (IEE) and Environmental Management Plan submitted. Should there be an expansion of the project beyond the project description, construction of other structures beyond those stated in the IEE document; or any change in the activity, shall be made subject to a new Environmental Impact Assessment.

2. That land clearing shall be limited to the project description.
3. That in case of transfer of ownership of this project, these same conditions and restrictions shall apply and the transferee shall be required to notify the EMB Regional Office concerned within fifteen (15) days as regards to the transfer of ownership.

Non-compliance with any of the provisions of this certificate shall be a sufficient cause for the cancellation or suspension of this certificate and/or imposition of a fine in an amount not to exceed Fifty Thousand Pesos (50,000.00) for every violation thereof.

B. Suggestion to the Project Design, Contractor and Constructions

B.1. General Conditions:

1. That compliance to occupational health and safety of the workers shall be ensured by the proponent by provision and use of Personal Protective Equipment (PPE) such as protective masks and other devices during construction/operation;
2. That the project shall conform with the provisions of the Building Code and Sanitation Code of the Philippines and its implementing rules and regulations;
