

Department of Environment and Natural Resources
Environmental Management Bureau
Regional Office No. IV - B MIMAROPA

Under the provisions of Presidential Decree 1586, I HEREBY CERTIFY that the information provided is true and correct to the best of my personal knowledge and belief.
ENVIRONMENTAL COMPLIANCE CERTIFICATE
(Issued under Presidential decree 1586)
ECC-R4B-0803-067-5020

THIS IS TO CERTIFY THAT PROPONENT **Department of Public Works and Highways-Region IV-B, MIMAROPA** is granted this Environmental Compliance Certificate (ECC), for the proposed **Concreting of Mindoro East Coast Road (Bulalacao Section) Project** located at **Bulalacao, Oriental Mindoro** by the Department of Environment and Natural Resources (DENR), through the Environmental Management Bureau, Region IV-B (MIMAROPA).

SUBJECT ONLY to the conditions and restrictions set-out in this certificate.

PROJECT DESCRIPTION

The proposed **Concreting of Mindoro East Coast Road (Bulalacao Section) Project** located along **Km 168 + 000 Km to 205 + 000** of the Municipality of **Bulalacao, Oriental Mindoro** having a total net length of **Thirty Seven (37) Kilometers**, covers the widening and concreting of the existing gravel road section with an average section 7.0 meters to meet the proposed roadway width of 10.00 meter including a permanent canal structure with a provision of 6.10 meters and provision of 1.0 to 1.5 meter gravel shoulder both sides.

This certification is issued in compliance to the requirements of Presidential Decree No. 1586, in accordance to Department Administrative Order No. 2003-30. The Bureau, however, is not precluded from reevaluating, adding, removing, and correcting any deficiencies or errors that may be found after issuance of this certificate.

Issued at 6-18-08 this _____ day of _____, 2007.

I. CONDITIONS

ENVIRONMENTAL MANAGEMENT

All commitments, mitigating measures and monitoring requirements, especially those contained in the Initial Environmental Examination (IEE) report, particularly in the Environmental Management and Monitoring Plans, including all their modifications as approved by the EMB R IV-B (MIMAROPA), shall be instituted to minimize any adverse impact of the project to the environment throughout its implementation, including the following:

1. Appropriate measures shall be undertaken for the avoidance of siltation of adjoining areas, noise and dust pollution during construction and operation activities;
2. The entire project site shall be provided with adequate drainage facilities to prevent excessive surface run-off;
3. Tree planting shall be conducted with appropriate tree species in an open space within the project site;

GENERAL CONDITIONS

4. The proponent shall conform with the provisions of the following:

- a. PD 1586 *Philippine Environmental Impact Statement System*, DAO 2003-30
- b. RA 6969 *Toxic and Hazardous Waste Act of 1990*, DAO 29
- c. RA 8749 *Clean Air Act of 1999*, DAO 2000-81
- d. RA 9003 *Ecological Solid Waste Management Act of 2000*, DAO 2001-34
- e. RA 9275 *Clean Water Act of 2004*, DAO 2005-10

5. The proponent shall set up the following:

a. A Memorandum of Agreement (MOA) shall be entered into by the proponent with the ECC Holders Association to become part of their MMT and in setting up the corresponding Environmental Monitoring Fund (EMF) prior to project implementation;

b. A replenishable Environmental Monitoring Fund (EMF) to cover all costs attendant to the operation of the MMT such as conduct meetings, training, sampling and analysis, hiring of technical experts, meals, accommodations, supplies and materials, communication, and transportation.

c. The amount and mechanics of the EMF, and the establishment of the MMT shall be determined by the EMB-MIMAROPA Region and the proponent in consultation with stakeholder-communities and other concerned agencies. This MOA shall be submitted to EMB-MIMAROPA within sixty (60) days upon receipt of this Certificate.

6. A Pollution Control Officer (PCO) shall be appointed by the proponent who shall continue to competently handle the environment-related aspects of the project. In addition to the monitoring requirements as specified in the Environmental Monitoring Plan, the PCO shall also:

3.1 Monitor actual project impact vis-a-vis the predicted impacts and management measures in the IEE;

3.2 Accordingly recommend revisions to the Environmental Management Plan (EMP) as necessary;

3.3 Ensure that the appropriate post-assessment permits are in place;

3.4 Ensure that monitoring and reporting are carried out as required; and

3.5 Assure compliance with the conditions of the approved ECC.

7. The proponent shall submit to this Office a summary of implementation of the project and proposed mitigating measures in the construction and operational phase. An accomplishment report on the implemented mitigating measures and the corresponding cost of the EMP activities shall also be submitted on a quarterly basis for monitoring; and DFWH Standards

8. Permits/clearances from concerned agencies shall be submitted to this Office within thirty (30) days upon receipt hereof.

9. A Self-Monitoring Report shall be submitted to this Office quarterly;

10. Any authorized DENR-EMB Region IV-B personnel can initiate an on-the-spot inspection and monitoring even without prior notice;

11. Should the implementation of the project cause adverse environmental impacts and pose nuisance to the public health and safety, as determined by the DENR-EMB and other concerned agencies, the operation shall be temporarily suspended after prior notice and due process until such time appropriate remedial measures are effected and any damage resulting from the same are properly compensated;

12. Any false ground for information misrepresentation or omission of material facts in the submitted documents shall be sufficient, the cancellation or suspension of this ECC;

13. In case of abandonment, the Proponent shall notify the EMB Regional Office concerned within three (3) months prior to the abandonment and the Proponent shall submit its abandonment mitigation plan;

14. A 2' x 4' billboard containing this message: "Notice to the Public, This project (title of the project) of (Name of the proponent) has been issued an Environmental Compliance Certificate (ECC Number) by the Environmental Management Bureau of the Department of Environment and Natural Resources, Region IV-B, on (date)." This message must be installed at all entry and exit points and at all perimeters of the project facing the road to inform the general public within thirty (30) days from receipt of the certificate. A copy of the certificate shall also be posted by the Proponent at the barangay bulletin board of the affected barangays within thirty (30) days from receipt of the certificate. An accomplishment report which shall include picture verification of compliance to the posting of notices and the billboards shall be submitted to this Office within ninety (90) days from receipt of the ECC.

II. RESTRICTIONS

15. No other activities should be undertaken other than what was stipulated in the Environmental Management Plan (EMP) submitted. Should there be an expansion of the project beyond the project description, construction of other structures beyond those stated in the EMP document, or any change in the activity, shall be made subject to a new Environmental Impact Assessment;

Please be guided accordingly

16. The project operation shall be limited to the project description; and

17. In case of transfer of ownership of this project, same conditions and restrictions shall apply and the transferee shall be required to notify the EMB Regional Office concerned within fifteen (15) days as regards to the transfer of ownership.

Non-compliance with any of the provisions of this certificate shall be a sufficient cause for the cancellation or suspension of this certificate and/or imposition of a fine in an amount not to exceed Fifty Thousand Pesos (50,000.00) for every violation thereof.

III. Suggestion to the Project Design, Contractor and Constructions

1. That compliance to occupational health and safety of the workers shall be ensured by the proponent by provision and use of Personal Protective Equipment (PPE) such as protective masks and other devices during construction/operation;
2. That the project shall conform with the provisions of the Building and Structural Code of the Philippines and its implementing rules and regulations and DPWH Standards Specifications for Highways and Bridges (Latest Edition)
