**ENVIRONMENTAL COMPLIANCE CERTIFICATE****ECC-4B-055-ORMIN-6280-2006**

The Department of Environment and Natural Resources-Environmental Management Bureau, MIMAROPA Region (IV-B) hereby grants this Environmental Compliance Certificate (ECC) to the MALUBAY PETRON SERVICE STATION PROJECT of MS. VIRGINIA MALUBAY OBIEGBU located at Barangay San Aquilino, Roxas, Oriental Mindoro after complying with the Environmental Impact Assessment (EIA) requirement as prescribed in the promulgated guidelines implementing Section 3 (b) of P.D. 1121, Section 4 of P.D. 1151, Section 2 of P.D. 1586, Presidential Administrative Order No. 42 dated November 2, 2002 and DENR Administrative Order No. 2003-30.

This Certificate is being issued subject to conditions stated hereunder. Non compliance with any of the conditions shall be sufficient cause for the suspension or cancellation of this Certificate and/or payment of fine in an amount not to exceed FIFTY THOUSAND PESOS (P 50,000.00) for every violation thereof, at the discretion of the DENR pursuant to Section 9 of P.D. 1586 and Section 16, Article IV of DENR Administrative Order No.2003-30.

**I. GENERAL PROVISIONS**

1. That all other permits from other government agencies shall be secured prior to project implementation;
2. That any expansion from the existing approved operation shall be subjected to a separate EIA requirement;
3. That any misrepresentation or material falsehood on the submitted documents shall be sufficient cause for the cancellation or suspension of ECC;
4. That the transfer of ownership of this project carries with it the responsibility of complying with all conditions in this ECC, the transfer of which shall be made known to this Office through a written notification by herein grantee within fifteen (15) days from such transfer; and

**II. OPERATION PHASE**

5. That this certificate shall cover the construction and operation of **Petron Service Station Project** located at Barangay San Aquilino, Roxas, Oriental Mindoro covering a total floor area of **Five Hundred square meters (500.00)** under TCT No. T-15104 under the name of the proponent;
6. That a capacity of the fuel storage shall be limited to **Forty Eight Thousand liters (48,000.00 ) Underground Tank (UGT) of diesel, kerosene and gasoline;**
7. That a Fire Contingency Plan (FCP) duly approved by Bureau of Fire Protection shall be implemented to be monitored by the Bureau of Fire Protection Units concerned and a firewall shall be constructed along the northern and eastern portion of the project site;
8. That a regular monitoring of tank leakages shall be strictly observed and the report shall be submitted to the Regional Director, EMB, Region IV ( MIMAROPA Region) every quarter;

9. That should the implementation of the project cause adverse environmental impacts and pose nuisance to the public health and safety, as determined by the DENR, the operation shall be temporarily suspended after prior notice and due process until such time appropriate remedial measures are effected and any damage resulting from the same are properly compensated;
10. That the "Permit to Operate" for the Generator Set and "Discharge Permit" for Wastewater shall be secured from this Office thirty (30) days from the validity of this ECC;
11. That a Quarterly Self-Monitoring Report (SMR) shall be submitted to this Office;
12. That the project shall conform with RA 6969 – Toxic Hazardous and Nuclear Waste Control Act; RA 9275 – Clean Water Act; RA 8749 – Clean Air Act and RA 9003 – Solid Waste Management Act;
13. That the Environmental Management Plan Shall be implemented;
14. That safety and precautionary measures shall be implemented to protect the workers at all times;
15. That any authorized DENR-EMB Region IV-B personnel can initiate an on-the-spot inspection and monitoring even without prior notice;
17. That all other mitigating measures cited in the submitted documents shall be implemented; and
18. That this Certificate should be posted in a conspicuous location clearly visible to the public and shall be adequately framed or otherwise protected against damage.
