

ECC No. 4B- 120 -OCMIN-303-2002

## ENVIRONMENTAL COMPLIANCE CERTIFICATE

The Department of Environment and Natural Resources, Region-IV hereby issues this guideline to the **Dalangin Concrete Products and Construction Supply Project** of Mr. Cornelio Dalangin located at Sto. Niño, Sablayan, Occidental Mindoro after complying with the Environmental Impact Assessment (EIA) requirements as prescribed in the promulgated guidelines implementing Section 3 (b) of P.D. 1121 and DENR Administrative Order No. 96-37.

*This certificate is not a permit and is being issued subject to the following conditions/recommendations:*

### I. PRE OPERATION PHASE

1. Should there be any other permits/clearances that will be secured from other government agencies prior to project implementation, same shall be furnished to this Office within fifteen (15) days upon its issuance;
2. That this ECC is valid **ONLY** for the Dalangin Concrete Products and Construction Supply Project of Mr. Dalangin covering a total area of **Three Hundred Forty Six Square Meters** (346 Sq. M.) located at the above-cited address;
3. That any misrepresentation or material falsehood on the submitted documents shall be sufficient cause for the cancellation of this ECC;

### II. OPERATION PHASE

4. That proper handling and disposal of solid and water wastes including used oil shall be implemented. Effluent to be disposed of shall conform with the effluent standard set forth under DENR Administrative Order No. 35 series of 1990;

5. That the operation of the project should not cause noise generation greater than the DENR Ambient Noise Standards;
6. That an Environmental Monitoring Fund (EMF) shall be established by the proponent, the amount of which will be agreed upon by the DENR-EMB Region IV-Island Provinces and the proponent in the preparation of Memorandum of Agreement (MOA) within thirty (30) days upon receipt hereof;
7. That the entire project site shall be provided with adequate drainage facilities to prevent excessive surface run-off;
8. That should the implementation of the project cause adverse environmental impact and pose nuisance to the public health and safety as determined by the DENR-EMB, Region-IV, Island Provinces, the operation shall be temporarily suspended after prior notice and due process until such time that appropriate remedial measures are effected and any damages resulting from the same are properly compensated;
9. That any authorized DENR personnel shall not be impeded/prevented from conducting on the spot monitoring and inspection of the establishment;

### III. OTHERS

10. That the transfer of ownership of this project carries the same conditions in this ECC which a written notification shall be made by herein grantee to DENR-Region-IV within fifteen (15) days from such transfer;
11. That any expansion not included from the existing approved operation plan shall be subject to a separate EIA requirements;
12. That other mitigating measures cited in the submitted IEE documents shall be implemented;
13. That the proponent shall be held accountable for any violation to the afore-cited conditions;

Non-compliance with any of the above-cited conditions will be sufficient cause for the cancellation or suspension of this certificate and/or penalty of fine in an amount not to exceed **Fifty Thousand Pesos (P50, 000.00)** for every violation thereof, at the discretion of the DENR pursuant to DENR Administrative Order No. 37 series of 1996.

In case there is a need for additional conditions in this ECC after monitoring/inspection, the same shall be imposed by DENR-EMB, Region - IV.
